3. first options above are full ...	

English 9

EN-ENGLISH 09 Prerequisite: English 8

- Focuses on speaking, listening, and academic reading and writing skills.
- Through exploration and reading of several genres of fiction, non-fiction, drama, and poetry, students will begin to learn to critically respond to literary elements in prose and poetry.
- Students will be expected to begin developing sophisticated reading and writing skills for further development in grades 10-12.

Math 9

MA-MATH 09 Prerequisite: Math 8

- Topics include Rational numbers, Exponent Laws, Polynomials, Solving Linear Equations, Scale diagrams, Probability, and Finance.
- Students taking this course can progress to Foundations and Pre-Calculus Math 10.

Socials 9

SS-SOCIAL STUDIES 09

Prerequisite: Humanities 8 or Social Studies 8

- Social Studies 9 is a required course and will include content from 1750-1919.
- Students will inquire about how emerging ideas and ideologies profoundly influence societies and events; the physical environment influences the nature of political, social, and economic change; and, disparities in power alter the balance of relationships between individuals and between societies.

Science 9

SC-SCIENCE 09 Prerequisite: Science 8 Big Ideas:

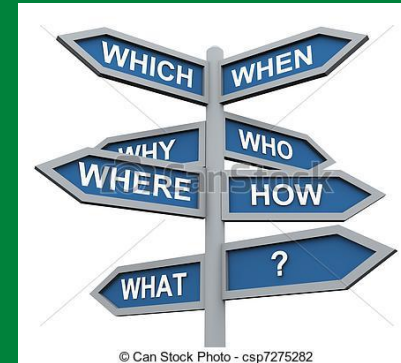

- Cells are derived from cells.
- The electron arrangement of atoms impacts their chemical nature.
- Electric current is the flow of electric charge.
- The biosphere, geosphere, hydrosphere, and atmosphere are interconnected, as matter cycles and energy flows through them.
- Typical activities: lectures, projects, demonstrations, and labs.

Physical Education

- PE Regular PE class
- PE Soccer – Application Required
- PE 10-12 Leadership 9-12
- PE Basketball 10-12
- PE Football 9-11
 - (early morning class 6:30-8:00am Tuesday/Thursday and Monday/Wednesday after school 3:00-4:30pm)
- PE Hockey Academy 9-12 (2 courses – skills & theory)
- PE Golf Academy 9-12 (2 courses – skills & theory)

ELECTIVES – HOW DO YOU CHOOSE THEM?

THINGS TO CONSIDER:

© Can Stock Photo - csp7275282

- They allow you to explore areas of interest - finding out what you like and do not like is an essential part of job discovery. Electives can also teach you skills for life...you may not be a clothing designer, but learning to sew may be of benefit....

- They are needed for post secondary studies

- They should **NOT** be chosen because your friend chose it. Once in a course you must complete it.

Grade 9 Courses offered for 2018-2019

Art Studio 9	Guitar 9	PE Soccer 9
Business Computer Applications 11	ICTS: Computer Information Systems 11	Power Technology 9

There are over 140 different trades – check www.itabc.ca

Contact Colin Mitchell @ 604-798-0797

Summer Opportunity

Get a head start on your high school credits by taking a hands-on course in Agriculture. Take part in a hands-on course in which you grow food at the SSS Farm and the SSS Greenhouse.

Course runs in July and August on Tuesdays and Thursdays from 8 a.m. to 2 p.m.

Sign up for *Skills Exploration 10*

Learn skills in:

- greenhouse food production
 - vegetable farming
 - food marketing and sales.

Build up your resume and get course credit at the same time

Options

- 80 hours of participation = 4 credits
(13, 6 hour shifts)

For more information

see the handout on the front table
