Once again our Branch is prepared to offer financial assistance, in the form of Bursaries, to those students who are graduating from Sardis and G.W.Graham Secondary Schools, and who wish to further their education at an accredited University, College, Technical School, Hospital School of Nursing or other institutions that require graduation from a Senior Secondary School as a pre-requisite.

These Bursaries will be awarded to qualified students who have "good potential" for the training required and shows financial need and presents proof of acceptance for enrollment in a full time career course at a qualifying institution.

This year the Branch will be offering Bursaries in the amount of \$1000 each, as follows:-

Bursaries will be offered from the Branch General Fund (open to all graduating students).

Bursaries will be awarded from the Poppy Trust Fund (open to dependent children and grandchildren of deceased, disabled, or other veterans and ex-service personnel).

Fully completed bursary application forms are to be received by the Career Centre by the deadline date (See your Scholarship Book).

It is the sole responsibility of the applicant to fully and properly complete the bursary application form and to ensure that all related items are submitted by the deadline date. Incomplete, or late, applications will not be considered, nor will any follow-up be done.

Successful applicants will receive a Certificate showing that they have been awarded a Bursary. The applicant must provide the Legion with proof of acceptance to their chosen post secondary institution, and the amount of the Bursary will be paid to the institute at which the student has been accepted.

Further information, if required, may be obtained by contacting the Branch as detailed above.
