1. We have extended lunch out by 10 minutes. This is to ensure everyone has an extended break after the long double block session. This also allows students writing assessments a few minutes longer to complete assessments without missing out on their lunch time.
2. There is **no break in the double block schedule**. Students should not be wandering the halls during the double blocks as assessments are going on.
3. Last time students were getting excused by their parents after their assessment was done. If this occurs again students need to be excused via the teacher not the front office. We do not want hundreds of phone calls in the office excusing kids. If kids get excused, they cannot hang in the hallways, they need to leave the school grounds. Thanks!!
