

School Day Photos with Vibrant Photos

Hello,

Vibrant Photos is excited to be taking your school portraits on September 3rd. As a company we have developed new systems that will make your students photo day experience the best it can be. Our secure server and online ordering system have been updated and allow you to view images before purchasing as well as customizing your orders.

Photo day is quick and easy

Step 1-Students will be given a photo data card on photo day with their unique access code

Step 2-Students will scan the barcode on their form for the photographer at the camera

Step 3-There will be two photos taken of the student, bring your best SMILE

Viewing and ordering photos is simple

Step 1- Go to vibrantphotos.ca

Step 2- Enter your unique code provided on your form, fill in your email and phone number to create an account

Step 3-View images and order

Best regards,
Vibrant Photos
