

SARDIS SECONDARY SCHOOL
2025-2026 GUIDED LEARNING - APPLICATION

Process

Completed applications for Guided Learning Blocks must be submitted before the start of each semester. As there are limited spaces for Guided Learning a committee of administrators and counsellors will select those who most closely match the criteria listed below. Students are expected to continue attending all their classes until they are notified of the decision of the committee. Students will be notified of the decision by the first day of the second week of the semester.

For the 2025-26 school year it is expected that all students enrol in eight (8) courses. For a few grade 12's the opportunity for a Guided Learning block will be provided if the following conditions are met:

- Must be enrolled in four (4) or more academic courses and must have 3 academic courses in the semester they are taking their Guided Learning Block
