SESSIONS LIST

SESSION 1-1, 2-1, 3-1	BIG BROTHERS BIG SISTERS COMMUNITY SUPPORT AND MENTORSHIP As an In-School Mentoring Coordinator serving Chilliwack East, I build connections between schools, youth, and dedicated mentors. I support inclusive mentoring relationships that help young people develop confidence, resilience, leadership skills, and healthy relationships while providing positive role models and meaningful community connections. Presenter(s): Aleena Webber
SESSION 2-2, 3-2	BEAUTY, BUSINESS, AND BEYOND Tracey and Nicole have been sharing their passion for the beauty industry for 15 years, offering certification in eyelash extensions, lash lifts, wax and permanent makeup. While our courses are relatively short, they go beyond a simple certificate. We provide hands-on training, mentorship, and valuable business insights to help our students build confidence and become successful entrepreneurs. Presenter(s): Tracey Ganert, Nicole Rowan
SESSION 1-3, 2-3, 3-3, 4-3	SUBSTANCE USE PREVENTION AND HEALTH PROMOTION WITH PACIFIC COMMUNITY RESOURCE SOCIETY Kristy Jones has been a Prevention and Health promotion facilitator with the Substance use team at PCRS for 20 years. She has a background in child and youth care and is a register yoga and archery instructor. The prevention program supports youth in middle school and aims to prevent, delay and reduce the harm associated with substance concerns. The prevention program supports and promotes healthy lifestyles, provides substance education presentations, group work, individual mentoring, and recreational activities. This program is funded by Fraser Health and operates in Chilliwack, Aldergrove, Langley, Surrey and Delta. Presenter(s) Kristy Jones
SESSION 1-4, 2-4	SOCIAL SERVICES/YOUTH SUBSTANCE USE SUPPORT I am a graduate from the Social Services Diploma program through the University of the Fraser Valley. I have lived in Chilliwack for the past 5 years and have been supporting youth in our community since living here. I have been a part of youth housing/outreach programs, bed-based treatment, and recreation programs for young people. Currently, I support youth navigating their relationship with substances with Pacific Community Resources Society as a substance use counsellor. I work out of the high schools, do community work, and am a part of the PCRS Youth Team. Presenter(s): Abbie Maure
SESSION 1-5, 2-5	MORE THAN ART ON WALLS Executive Director of the Chilliwack Arts Council (we produce the Chilliwack Mural Festival, Anonymous Art Show and Art Start Up Challenge) Presenter(s): Lise Oakley
SESSION 2-6, 3-6	SFU BEEDIE SCHOOL OF BUSINESS – INFORMATION SESSION Learn more about one of Canada's top business schools! SFU Beedie is home to those who believe that business has the power to spark new ideas, fuel social innovations and advance society. Through teaching and learning powered by world-class research, meaningful community engagement, and global outlook, we take business education beyond the walls of academia. We empower people from diverse backgrounds and perspectives to reimagine the role that business plays in tackling society's most significant challenges. Learn more about our program and admission requirements, get answers to your questions, and decide on whether SFU Beedie is the right place for you. Presenter(s): Marianne Kwon

SESSION 2-7, 4-7	STO:LO COMMUNITY FUTURES PROGRAMS AND SERVICES Stó:lō Community Futures (SCF) is an Indigenous-specific Community Futures organization that supports Indigenous entrepreneurs, businesses, and communities throughout S'ólh Téméxw. Through business financing, advisory services, training, and partnerships, SCF contributes to the social and economic well-being of the region and helps advance Indigenous economic development. Rocio Zielinski joined SCF in 2005 and has served as General Manager since 2019. She is dedicated to advancing the rapidly growing Indigenous economy in S'ólh Téméxw and has built strong relationships with Indigenous communities, businesses, and entrepreneurs. Through her involvement with Indigenous and non-Indigenous boards and committees, Rocio has also developed meaningful partnerships and collaborations—particularly with the University of the Fraser Valley—that continue to create positive and lasting impacts throughout the region. Presenter(s): Rocio Zielinski
SESSION 1-8, 2-8, 3-8, 4-8	PROFESSIONAL COOK LEVEL 1 – CULINARY CAREERS Chef Tim Bedford is a Red Seal chef and Vancouver Community College instructor who leads the Professional Cook 1 program at Imagine High in Chilliwack. He began cooking in 1999, completed his Professional Cook 1, 2 and 3 training at VCC, and earned his Red Seal in 2003. Tim apprenticed under Chef Scott Jaeger and was a member of Canada's Bocuse d'Or team in 2005, 2007 and 2011. He has owned his own restaurants and continues to operate his own food production business. With more than a decade of teaching experience, Tim focuses on giving students practical skills they can take into any professional kitchen—from knife techniques, baking and sauce making to preparing meat and seafood, organizing a workstation and working as a team. His goal is for students to graduate with the skills and confidence to step into a kitchen ready to work. For Tim, the experience is also about having fun, building friendships and discovering the camaraderie of a kitchen team. His program gives students opportunities to challenge themselves, support each other and take pride in food they have created together. Presenter(s): Tim Bedford, Kevin Hordichuk
SESSION 1-9, 2-9	CAREER IN SOCIAL WORK – WORKING IN THE NONPROFIT MENTAL HEALTH SECTOR Kaylee Lovesy, BSW, RSW began her Bachelor of Social Work degree at the University of the Fraser Valley after graduating high school. With her strong passion for social justice, advocacy, and mental health, she knew that this was the direction she wished to move in for her studies. Lovesy graduated with her Bachelor of Social Work in June 2025 and became a Registered Social Worker with the BC College of Social Workers in November 2025. Opportunities within her education led her to her current career with Chilliwack Hospice Society as the Child and Youth Program Manager. In her presentation, she will speak to her post-secondary education, work within the non-profit sector, careers in mental health and human services, and how much she loves what she gets to call work! Presenter(s): Kaylee Lovesy
SESSION 1-10, 2-10	FROM CAREER TO CALLING – WHY WE CHOSE CHIROPRACTIC I'm Krystal Raddatz, the marketing lead for Kauri Chiropractic. We offer neurologically based chiropractic care to moms, babies, and individuals looking for the root cause of their symptoms. We are on a mission to educate, empower, and serve our community with the best care possible! Presenter(s): Krystal Raddatz
SESSION 1-11, 2-11, 3-11, 4-11	FIRST RESPONDERS PANEL Join us for a panel of first responders including BC Ambulance paramedics, BC Wildfire firefighter, and RCMP members Presenter(s): Cst Brad Kelsey, Brad Jones, Megan Christensen

SESSION 1-12, 2-12, 3-12, 4-12	VETERINARY MEDICINE AT KENT & COQUIHALLA VET CLINICS I've been a veterinarian for 23 years, and I am a part owner in 2 veterinary clinics in the lower mainland. I provide surgical, medical, and dental care for dogs and cats (and sometimes other small animals!) in my day-to-day work. *Sensitive material shown* Presenter(s): Carly Ricka
SESSION 1-13, 2-13, 3-13, 4-13	EXPLORING THE DIFFERENT WAYS TO BECOME A LAWYER Kathryn is a family lawyer with YLAW, one of British Columbia's leading family law firms, with more than 20 lawyers and three offices across the province. She regularly appears before both the Provincial Court and Supreme Court of British Columbia. Kathryn is an accredited family law mediator, legal coach, and collaboratively trained lawyer. Raised by a single mother, Kathryn became the first in her family to obtain a university degree and the first to become a lawyer. She is also an active speaker and educator, regularly presenting to lawyers and the public on family law topics. This year she will be one of the presenters at the annual Family Law Conference held by the Trial Lawyers Association of BC. Presenter(s): Kathryn Panton & Rashmi Bagg
SESSION 1-14, 3-14	MASONRY BC (DOUBLE BLOCK) The Masonry Institute of BC has evolved from masonry organizations, which have been promoting the local masonry industry for over 50 years. The mandate of the MIBC is to enhance the development of masonry in BC through technical support to designers, educators and building officials. Presenter(s): Carlos Zamora
SESSION 3-15, 4-15	SKILLED TRADES & CONSTRUCTION PROJECT MANAGEMENT Red Seal Mechanical Insulator, construction project manager, former software engineer, and founder and President of Love Without Borders. My career has taken me from technology into the skilled trades and construction, where I coordinate people, schedules, safety, budgets, and problem-solving to help turn plans into completed projects. I am passionate about encouraging young people, especially women and newcomers, to explore skilled trades, leadership, and careers where practical skills can build strong communities. Presenter(s): Ghazaleh Nozamani
SESSION 1-16,2-16, 3-16, 4-16	PILATES INSTRUCTOR AS A CAREER Phoenix is a fully comprehensive Pilates Instructor. Presenter(s): Phoenix Guilbeau
SESSION 1-17, 2-17, 3-17, 4-17	SO YOU THINK YOU KNOW THERAPY? A look inside the world of mental health, human behaviour, and the different careers of the people who work in it. Inner Balance Solutions Inc. is a multidisciplinary mental health clinic in Chilliwack providing counselling and mental health services to children, youth, adults, couples, and families. Our team supports a wide range of concerns, including anxiety, depression, ADHD, trauma and PTSD, relationships, grief and loss, emotional regulation, and life transitions. Our team includes social workers, clinical social workers, clinical counsellors, Canadian Certified Counsellors, and student interns—each representing different educational and career pathways into the mental health field. Registered Clinical Social Workers (RCSWs) have advanced clinical training that can include mental health assessment and diagnosis. Our clinicians use a variety of evidence-based and trauma-informed approaches, recognizing that mental health care is not one-size-fits-all. We work to connect each person with a clinician and approach that fits their individual needs. We also provide practicum placements for university students training in counselling and social work, giving students the opportunity to gain supervised, hands-on experience working in a mental health clinic. Presenter(s): Teresa McKenzie, Jennifer Dickie, Kelli Ovington

SESSION 1-17, 2-17, 3-17, 4-17	SO YOU THINK YOU KNOW THERAPY? A look inside the world of mental health, human behaviour, and the different careers of the people who work in it. Presenter(s): Teresa McKenzie, Jennifer Dickie, Kelli Ovington
SESSION 1-18, 2-18	SO.. WHAT DOES AN ACCOUNTANT REALLY DO? Jacqueline Penner, CPA, owns a local public accounting practice in Chilliwack, where she works with individuals and small businesses on everything from bookkeeping, payroll and taxes to financial statements and dealing with the CRA. She'll talk about how she became a CPA, what accountants actually do all day (spoiler: it's not just math), what it's like to own an accounting firm, and the different career opportunities available in accounting. Presenter(s): Jacqueline Penner
SESSION 1-19	CIVIL CONSTRUCTION CAREERS – METRIC CIVIL CONTRACTORS LTD Meet Jeff Hutt – Director of Field Operations, Metric Civil Contractors Ltd. Jeff Hutt has built a successful career in civil construction by learning on the job, taking on new challenges, and working his way into leadership. As Director of Field Operations at Metric Civil Contractors Ltd., Jeff helps coordinate construction crews, equipment, and projects across British Columbia. His job is fast-paced and hands-on, with lots of problem-solving, teamwork, and decision-making. Jeff will be at Career Day to share what working in construction is really like, the different careers available in the industry, and how someone can grow from working in the field into a leadership role. If you like working outdoors, operating equipment, building things, solving problems, or being part of a team, civil construction might be a career worth exploring. Presenter(s): Jeff Hutt
SESSION 1-20, 3-20	SUPPORT WORK AND COUNSELLING AT WILMA'S TRANSITION SOCIETY Through Wilma's Transition Society, Tiffany and Grace support those leaving violence and community members needing extra support. Helping them find safety, stability, and connection. Presenter(s): Tiffany Collins and Grace Gruenhage
SESSION 4-21	HELPING PEOPLE HEAR BETTER Working in a hearing clinic is a joyful experience. We get to help people hear better every day and teach them about how to use hearing aids. This job allows me to work with neat technology and communicate with people all day. Presenter(s): Sarah Ploj

SESSION 1-22, 2-22, 3-22, 4-22	ADAPTING TO OPPORTUNITIES & EMBRACING THE UNEXPECTED Sherylynn Smith is Vice President and General Manager at Ironside Design Manufacturing, a metal manufacturing facility that ships Corrugated Steel Pipe Equipment worldwide. She began at Ironside in Accounts Payable/Receivable, where she developed a strong understanding of the financial and administrative backbone of the business. After taking on the role of Quality Coordinator, she spearheaded the implementation and certification of a full ISO 9001 Quality Management Program. Following this she acquired her Human Resources Certificate and implemented a full HR program. She then moved into Production Support Coordination and Purchasing and eventually served as Director of Supply Chain, overseeing procurement strategies and aligning project sourcing with company goals. Now in her role of GM, she continues to blend her financial, quality, HR and production background to oversee the company and team to ensure they are continually improving, achieving work-life balance and meeting customer expectations in a safe environment. Presenter(s): Sherylynn Smith
SESSION 1-23, 2-23, 3-23, 4-23	BC NURSES UNION – WHAT IS THE UNION? HOW DOES IT WORK? What it is like to be a nurse in BC, benefits of being a nurse in BC. Questions related to the nursing profession and how the union relates to nursing practice in BC. Danielle Westwick- Emergency LPN, Fraser Valley Regional Communications Secretary, New and Young Nurse Network Representative for the Fraser Valley Region. Sarbjit Gill- Emergency Patient Care Coordinator, Regional Lobby Coordinator Fraser Valley Region. Nicole Trudeau- Surgical LPN, Regional Mental Health Advocate for the Fraser Valley Region. Presenter(s); Danielle Westwick, Sarbjit Gill, Nicole Trudeau
SESSION 3-24, 4-24	ARE YOU INTERESTED IN TUITION SPONSORED POST-SECONDARY TRAINING? Let me tell you about our dual credit programs in trades, education, and health, and how to plan for them! Target audience is Grade 10 & 11 but all are welcome. I am a Dual Credit & Apprenticeship Facilitator. In this role, I support students in preparing for tuition sponsored education in their grade 11 or grade 12 year. The dual credit programs that I am featuring today are trades focused such as Automotive, Carpentry, Electrical, Heavy Duty Mechanic, Plumbing, Professional Cook, Welding, Architectural Drafting, Youth Work in Trades as well as academic focused dual credit programs in Health Sciences, Emergency Medical Responder, Early Childhood Education, and Inclusive Education Assistant. Presenter(s): Sheri Bawtinheimer
SESSION 1-25, 2-25, 3-25, 4-25	ALIVE AFTER 5 My name is Darby Steeves, and I am a facilitator with the Alive After 5 program with the BC Federation of Labour Health and Safety Centre. I travel the province and give talks on all things important to Young Workers. Everything from Health and Safety to the basics of how to read your paystubs and stand up to employers who may try to treat us unfairly. Presenter(s): Darby Steeves
SESSION 1-26, 2-26,	ARE YOU INTERESTED IN TUITION SPONSORED POST-SECONDARY TRAINING? Let me tell you about our dual credit programs in trades, education, and health and how to plan for them! Target audience is Grade 10 & 11 but all are welcome. I am a Dual Credit & Apprenticeship Facilitator. In this role, I support students in preparing for tuition sponsored education in their grade 11 or grade 12 year. The dual credit programs that I am featuring today are trades focused such as Automotive, Carpentry, Electrical, Heavy Duty Mechanic, Plumbing, Professional Cook, Welding, Architectural Drafting, Youth Work in Trades as well as academic focused dual credit programs in Health Sciences, Emergency Medical Responder, Early Childhood Education, and Inclusive Education Assistant. Presenter(s): Stacey Piper

SESSION 2-27	THE ADVANTAGES OF A CAREER IN MASS TIMBER Dean Locke brings more than 50 years of experience in the construction industry, combining extensive hands-on expertise with leadership in project management, construction supervision, and manufacturing process development. Beginning his career as a carpenter, Dean developed a strong foundation in construction methods, materials, and field operations. Over the course of his career, he has progressed through key leadership roles, including Superintendent and Certified Project Management Professional (PMP), gaining a comprehensive understanding of project execution, operational efficiency, and team leadership. Today, Dean applies his extensive industry knowledge to manufacturing process development within the mass timber sector, focusing on improving production processes, optimizing operational workflows, and bridging the gap between traditional construction practices and modern manufacturing methodologies. His career reflects a commitment to practical innovation, continuous improvement, and the development of efficient, high-quality processes that support the evolving demands of the construction and mass timber industries. Presenter(s): Dean Locke
SESSION 3-28, 4-28	COMPASSIONATE NEIGHBOURS Many seniors find themselves with few, if any, family members living nearby. Research consistently points to a heartbreaking reality: increasing loneliness and social isolation among our senior population, as well as among the dedicated family and friends who support them. Compassionate Neighbourhood Health Partners Society was founded to bridge this gap. Serving the communities of Chilliwack, Agassiz, and Hope, we are dedicated to ensuring that no older adult or caregiver has to walk their journey alone. Presenter(s): Angela Viljoen
SESSION 1-29, 2-29, 3-29, 4-29	CLEARED FOR TAKEOFF: A CAREER IN AVIATION Chris Weight is a WestJet Boeing 737 Captain who began his career flying float planes in Northern Ontario in 1995. His career has taken him to Canada's high Arctic, Europe, South and Central America. Today, aviation gives him a rewarding career and time at home with his family. Presenter(s): Chris Weight
SESSION 3-30, 4-30	RCMP POLICE DOG SERVICES RCMP Police Dog Service Handler. Presenter(s): Cpl. Kyle Johns
SESSION S3-31, S4-31	SCHOLARSHIPS, BURSARIES, AND AWARDS – IT'S NEVER TOO EARLY TO START As a Career Advisor I am dedicated to helping students explore their strengths, discover opportunities, and achieve their educational and career goals. With over six years of experience working with students at various schools within the district, I am passionate about helping students reach their full potential. Presenter(s): Keri-Lym Hari
SESSION S2-32, S4-32	PARAMEDIC Advanced Care Paramedic and instructor working in Chilliwack Presenter(s): Megan Christensen
SESSION S1-33, S3-33	(DOUBLE BLOCK) CRIMINAL INVESTIGATION AND CRIME SCENE ASSESSMENT SIMULATION An RCMP team from the Investigator Development Program at the Pacific Region Training Centre (PRTC) will lead students through the exploration of real criminal investigations. This session will include a mock crime scene where students will have the opportunity to participate as if they are a crime scene investigator. Please note that this session does use real 911 audio recordings, as well as other audio recordings, which contain some coarse language and involve homicide investigations. *Sensitive material*

	Presenter(s): Julie Bauer
SESSION S2-34, S3-34, S4-34	SWIPE RIGHT TO LEARN ABOUT ALL THE DIFFERENT ROLES IN HEALTHCARE – PROVINCIAL HEALTH AND YOU COULD BE A GOOD MATCH! In our session we will learn about the Provincial Health Services Authority and all the different types of healthcare service roles we provide. From Tech, Finance, Supply Chain, Operations, Payroll, Trades, Contract, Nurses, Doctors, Laboratory Medicine, Paramedics, and more. PHSA delivers care and services through specialized hospitals and centers, including BC Children's Hospital and BC Cancer. Through BC Emergency Health Services (BCEHS), we oversee the BC Ambulance Service and Patient Transfer Services. We also work with regional health authorities to deliver specialized services through BC's health improvement networks and provincial clinical programs. We have roles in your city, at Chilliwack General Hospital! These provincial programs share a common goal: improving the quality and consistency of care across the province. Presenter(s): Lisa Au
SESSION S1-35, S2-35, S3-35, S4-35	CAREERS IN SOCIAL WORK: ANN DAVIS Robbi is the Director of Programs at Ann Davis Transition Society, where she supports the delivery of programs and services for individuals and families in the community. With a degree in Social Work, she is passionate about helping others, promoting inclusion, and ensuring people feel heard, respected, and supported. Her role combines leadership, collaboration, and a commitment to making a positive difference in people's lives. Presenter(s): Robbi Leach
SESSION S1-36, S2-36, S3-36, S4-36	EDPLANNERBC Find Your Path is a personalized, interactive education and career planning tool that allows users to choose an area of interest and easily navigate different paths that connect post-secondary programs, skills training, and careers. Presenter(s): Sammy Wilhelm
SESSION S4-37	EDPLANNER (FRENCH) Find Your Path is a personalized, interactive education and career planning tool that allows users to choose an area of interest and easily navigate different paths that connect post-secondary programs, skills training, and careers. Presenter(s): Jon Szto
SESSION 1-95	(ALL-DAY) UNIVERSITY OF BRITISH COLUMBIA FIELD TRIP Presenter(s): Mr. Stinson, Mr. Higginbottom
SESSION 1-96	(ALL-DAY) CAPILANO UNIVERSITY FIELD TRIP Presenter(s):
SESSION 1-97	(ALL-DAY) TRINITY WESTERN UNIVERSITY FIELD TRIP Presenter(s): Joe Massie & Ryan Logan
SESSION 1-98	(ALL-DAY) KWANTLEN POLYTECHNIC UNIVERSITY Presenter(s):

SESSION 1-99	(ALL-DAY) VANCOUVER FILM SCHOOL Presenter(s):
SESSION 1-100	INTERNATIONAL Presenter(s): Cori-Anne Klassen & John Warkentin-Scott
